Safety on campus

It's important that you are aware of the safety requirements while on campus.

- If the fire alarm sounds, please vacate the building by the nearest signposted exit
- In the event of a fire, do not use any of the lifts and wait outside until told by a member of University staff that the building is safe to re-enter
- Please comply with the 'No Entry' and 'No Open Day Access' signs around the campus
- Please do not touch any specialised equipment while on tours of facilities unless asked to do so by a member of staff
- If you require any medical attention, please contact one of our Open Day student helpers or visit any of the University reception areas.

Please note: Filming and photography by Glasgow Caledonian staff will be taking place at our Open Day. Please speak with the photographers if you don't want to be included in a photograph.

WELCOME to Glasgow Caledonian University

Open Day is your chance to explore our campus, ask questions and take in everything that Glasgow Caledonian has to offer.

Look out for our Student Helpers wearing purple hoodies/ t-shirts. They are on hand to give directions or answer your questions.

Register when you arrive

Please go to the registration desk to check in and collect your Open Day information pack. If you've registered in advance, we'll scan your QR code at the desk.
