## Important information

Upon your return to UK, you will most likely be required to self-quarantine for 14 days as per the recent government announcement on 10th May 2020. It is important you keep in touch with your Programme staff during any period of self-quarantining, to ensure you can keep up to date with coursework.

Prior to any travel outside of UK, it is also important that you review your home government quarantine requirements as well as the requirements of any countries you may transit through. Any travel outside of UK made during this time is at your own risk and you should be aware of the potential requirement to self-quarantine both in the UK and overseas.

By submitting this form you consent to the VISA Team sharing your travel information with your Programme staff, to allow them to provide you with necessary support both during your time outside UK and during any period of self-quarantining.

If you have any questions or concerns relating to international travel during the COVID-19 outbreak, please contact the VISA Team directly on [visa@gcu.ac.uk](mailto:visa@gcu.ac.uk).
