Guide to GCU for applicants from college

97% of GCU graduates are employed or in further study within six months of graduating (HESA, 2017)
Welcome to Glasgow Caledonian University!

We’re delighted that you’re considering making the next step from college to Glasgow Caledonian University (GCU) and we’re here to help you at every stage.

GCU is a vibrant, diverse and welcoming community and we create a learning environment that encourages students to fulfil their potential. You’ll be learning from leading academics and industry experts in modern facilities, and you’ll get the chance to create a great CV as many of our degree programmes include work experience, the chance to study abroad and volunteering opportunities in the UK and across the world.
Making the move to University
We know the move from college to University can be daunting but our dedicated College Connect team deliver an induction programme of workshops, events and a student mentoring scheme (many of the mentors made the move from college themselves) to help you make the transition and settle in.

Career-focused degrees
There are over 50 undergraduate degree programmes and the College Connect team can give you the support and info to enable you to make an informed decision about your next step. A GCU degree will build on the practical skills and knowledge you’ve gained at college with a focus on employability, leadership and social responsibility.

Join College Connect
Once you have an offer to study at GCU you can register to become a member of College Connect. You’ll receive a GCU student ID card, which will enable you to make the most of the excellent learning facilities during your college studies.
College Connect Membership includes:
• Visit and borrow study resources from the GCU library
• Access to GCU’s virtual learning environment, GCU Learn
• Join the Students Association and The Arc, the on-campus gym and sports centre

How to apply
To start a full-time degree in September 2018 you should submit your application via UCAS by 15th January 2018. We may consider later applications but strongly advise you make your application by this deadline.

Entry routes from college
For details of entry requirements from college to specific degree programmes please see the course pages on the GCU website at www.gcu.ac.uk/study/undergraduate

We’re here to support you
And remember our dedicated College Connect team are on hand to answer any questions you have, get in touch -

“When applying to go to GCU I was very anxious that the change between college and university would be huge especially becoming a direct entry into 3rd year of the course. I was also anxious that no one else from my college course would be there and the thought of not knowing anyone really worried me. But now looking back there was no need to be anxious as I quickly made friends and found that there was no need to be scared or worried at all, as everyone was lovely and university life actually is great, believe it or not!”
Jasmine Chiswell, BA (Hons) Student, Media & Communication

“When I applied to GCU I was semi-retired, having sold my business, and working as a foster carer. GCU became my first choice as it was clear that they offered a dynamic, modern and rounded learning experience, with all the support needed to meet my personal goals. Articulating into Year 2 of my course was very straightforward, with guidance from my admissions tutor and an induction event where I met others who were also articulating - they are now firm friends and a great support. My programme is comprehensive and well planned and my learning experience at GCU has revitalised me - I hope to enter a PhD programme here.”
David Clarke, BSc (Hons) Student, Social Work

</tbody>
</table>
**BEng (Hons) Building Services Engineering**

UCAS code: **K242**

**Year 1**
SWAP STEM programme at BBB.

**Year 2**
15 credit HNC in either Mechanical Engineering or Electrical Engineering or Building Services Engineering with a B in Graded Unit. Other related HNC qualifications may be considered.

**Year 3**
HND in either Mechanical Engineering or Electrical Engineering or Building Services Engineering or Sustainable Design with a B in Graded Units. Other related HND qualifications may be considered.

**Part-time entry**

**Year 1**
HNC Building Services, Mechanical or Electrical Engineering.

**Year 2**
HND Building Services, Mechanical or Electrical Engineering.

---

**BSc (Hons) Building Surveying**

UCAS code: **K230**

**Year 1**
SWAP STEM programme at BBB.

**Year 2**
HNC Built Environment subject with a B in the Graded Unit.

**Year 3**
HND Building Surveying with A in the Graded Units, other Built Environment HND programmes may be considered. Due to the client facing nature of Building Surveying, a good command of written and spoken communication is considered necessary. In addition, basic CAD skills are essential. This applies to both Year 2 and Year 3 entry.

---

**BA (Hons) Business Management**

UCAS code: **8J9J**

**Year 1**
SWAP Access to Humanities at BBB.

**Year 3**
HND Business or HND Administration and IT with AB/ABB in the Graded Units. Other business-related HND programmes may be considered.

---

**BSc (Hons) Cell and Molecular Biology**

UCAS code: **C760**

**Year 1**
SWAP Access to Science programme at BBB. HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.

**Year 2**
HNC 15 credits in relevant science subject (must include Genetics unit) with A in the Graded Units.

**Year 3**
HND in relevant subject with AB in the Graded Units.

---

**BSc (Hons) Computer Games (Art and Animation)**

UCAS code: **GW4G**

**Year 3**
HND 3D Computer Animation (or equivalent) with B in the Graded Units.

**Portfolio submission**
All applicants are required to submit a digital portfolio to gauge creative potential, motivation and suitability for the programme. Portfolios may be shortlisted to allow for an interview stage from a smaller pool of applicants.
**BSc (Hons) Computer Games (Design)**  
UCAS code: GWK2

**Year 1**
SWAP STEM programme at ABB.

**Year 2**
15 credit HNC Computer Games Development with A in Graded Unit. Must include the following units: Mathematics for Interactive Computing: Essential Techniques or Mathematics: Calculus and Matrices for Computing.

**Year 3**
An HND in Computer Games Development (with the code heavy delivery model). HND must include an A in Graded Units. Must include the following units in the HND: Mathematics for Interactive Computing; Essential Techniques or Mathematics; Calculus and Matrices for Computing; 2D Animation; 3D Level Editing; Game Customisation & Scripting; Game Design: Pitch to Treatment; Game Design Theory.

---

**BSc (Hons) Computer Games (Indie Development)**  
UCAS code: T4R2

**Year 3**

**Games Art Pathway**
HND 3D Computer Animation with B in the Graded Units and successful portfolio submission. In addition, 2D Animation and 3D Animation units are required as part of the HND.

**Games Design Pathway**
HND Computer Games Development with an A in the Graded Units and including 2D Animation; 3D Level Editing; Games Customisation and Scripting; Game Design Pitch to Treatment; Game Design Theory; Either Maths for Interactive Computing, Essential Techniques or Maths (Calculus and Matrices for Computing).

**Games Software Development Pathway**
HND Computer Games Development with A in the Graded Units and including; User Interface Design; Either Maths for Interactive Computing, Essential Techniques or Maths for Calculus and Matrices for Computing and any TWO from: AI and Critical Thinking; Game Customisation & Scripting; Game Physics; Scripting for Interactivity.

---

**BSc (Hons) Computer Games (Software Development)**  
UCAS code: W280

**Year 1**
SWAP STEM programme at ABB.

**Year 2**
15 credit HNC Computer Games Development with A in Graded Unit. Must include the following units: Mathematics for Interactive Computing: Essential Techniques or Mathematics: Calculus and Matrices for Computing.

**Year 3**
HND Computer Games Development (with the code heavy delivery model). HND must include an A in Graded Units. Must include the following units in the HND: Mathematics for Interactive Computing; Essential Techniques or Mathematics: Calculus and Matrices for Computing; User Interface Design and any TWO from: AI and Critical Thinking; Game Customisation & Scripting; Game Physics; Scripting for Interactivity.
MEng / BEng (Hons) Computer-Aided Mechanical Engineering

Year 1
SWAP STEM programme at BBB (BEng) or ABB (MEng).

Year 2
HNC in Mechanical Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4.
For more info: www.gcu.ac.uk/mathssummerschool

Year 3
HND in Mechanical Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5.
For more info: www.gcu.ac.uk/mathssummerschool

Part-time entry
Year 1
HNC Mechanical Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.

Year 2
HND Mechanical Engineering or other relevant Engineering subject with B in Graded Unit and include Engineering Mathematics 1, 2, 3 and 4.

BSc (Hons) Computing

UCAS code: G401

Year 1
SWAP STEM programme at BBB.

Year 3
HND Computing (Software Development) including either: Database Design Fundamentals; Relational Database Management Systems; or Database Design and Programming in SQL. Plus* either Software Development: Developing Websites for Multiplatform Use or Web Development Dynamically Generated Content or Web Development Fundamentals. 
Or HND Computer Science including: Software Development: Object Oriented Programming; Software Development: Object Oriented Analysis and Design; Software Development: Data Structures.
It is expected that successful applicants would have achieved grade A in both of the level 7 and level 8 Graded Units which make up their group award profile. *Applicants without this requirement may still be eligible for entry, but will have a restricted elective pathway choice.

BSc (Hons) Construction Management

UCAS code: K251

Year 1
SWAP STEM programme at BBB.

Year 2
HNC in the subject area of Built Environment with a B in the Graded Unit.

Year 3
HND Construction Management with A in the Graded Units, other HND Built Environment subjects will be considered.

BSc (Hons) Cyber Security and Networks

UCAS code: I121

Year 3
HND Computing: Networking or HND Computing: Technical Support. Must have A in Graded Units 1 and 2.

BSc (Hons) Diagnostic Imaging

UCAS code: B821

Year 1
Science-based HNC with B in the Graded Units. Applicants must also hold literacy and numeracy equivalent to National 5 level, with English being preferred at Higher Level. Communications 4 and Literature 1 are accepted in lieu of Higher English. SWAP Access to Radiography at Glasgow Kelvin College is also considered.
**BSc (Hons) Digital Design (Graphics)**

UCAS code: **3K7P**

**Year 3**

HND with a B in the Graded Units in one of the following: HND Graphic Design, HND Digital Media, HND Visual Communication, HND Graphic Design for Print and New Media, HND Visual Communication.

**Portfolio**

All applicants will be expected to submit a digital portfolio to gauge creative potential, motivation and suitability for the programme. Portfolios may be short-listed to allow for an interview stage from a smaller pool of applications.

---

**MEng / BEng (Hons) Electrical Power Engineering**

UCAS code: **BEng H630**  
**MEng H631**

**Year 1**

SWAP STEM programme at BBB (BEng) or ABB (MEng).

**Year 2**

HNC in Electrical or Electronic Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Year 3**

HND Electrical or Electronic Engineering or equivalent with a B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more information visit [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Part-time entry (BEng only)**

**Year 1**

HNC Electrical or Electronic Engineering or other relevant Engineering subject with B in graded unit 1 and include Engineering Mathematics 1 and 2.

**Year 2**

HND Electrical or Electronic Engineering or other relevant Engineering subject with B in graded unit and include Engineering Mathematics 1, 2, 3 and 4.

---

**MEng / BEng (Hons) Electrical and Electronic Engineering**

UCAS code: **BEng H610**  
**MEng H611**

**Year 1**

SWAP STEM programme at BBB (BEng) or ABB (MEng).

**Year 2**

HNC in Electrical or Electronic Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Year 3**

HND Electrical or Electronic Engineering or equivalent with a B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more information visit [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

---

**MEng Electrical, Electronic and Energy Engineering**

UCAS code: **H620**

**Year 3 entry only**

HND in Electrical or Electronic Engineering or equivalent with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. For more info: [www.gcu.ac.uk/mathssummerschool](http://www.gcu.ac.uk/mathssummerschool)

**Part-time entry (BEng only)**

**Year 2**

HND Electrical or Electronic Engineering or other relevant Engineering subject with B in Graded Units and include Engineering Mathematics 1, 2, 3, 4 and 5.
**BSc (Hons) Environmental Civil Engineering**

Year 1
SWAP STEM programme at BBB.

Year 3
HND Civil Engineering with an A in the Graded Units and successful interview.

**BSc (Hons) Environmental Management**

Year 1
SWAP STEM programme at BBB.

Year 2
HNC in a Built Environment subject or HNC Social Sciences with A in the Graded Unit.

**BA (Hons) Finance, Investment and Risk**

Year 1
SWAP Access to STEM at BBB.

Year 3
HND Accounting with AAA in the Graded Units, HND Business with AA in the Graded Units or HND Financial Services with AA in the Graded Units. Other finance-related HND qualifications will be considered.

**BEng (Hons) Fire Risk Engineering**

Year 1
SWAP STEM programme at BBB.

Year 2
HNC or HND Civil Engineering or Built Environment subject with B in the Graded Unit.

**BSc (Hons) Food Bioscience**

Year 1
SWAP Access to Science programme at BBB.
HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.

Year 2
15 credit HNC in relevant science subject (must include Genetics unit) with A in the Graded Units.

Year 3
HND in relevant subject with AB in the Graded Units.

**BSc (Hons) Forensic Investigation**

Year 1
SWAP STEM programme at BBB.

Year 2
15 credit HNC Applied Science with B in Graded Unit.

**BSc (Hons) Human Nutrition and Dietetics**

Year 1
HNC Science Qualification must include sufficient coverage of chemistry or SWAP Access to Dietetics/Science at Glasgow Kelvin College at BBB.
BA (Hons) International Business (pathways in HRM or Tourism Management)

International Business
UCAS code: N120
International Business and HRM
UCAS code: 2T4T
International Business and TM
UCAS code: 4R5T

Year 1
SWAP Access to Humanities at BBB.

Year 3
Direct entry is available to the following pathways

BA (Hons) International Business
HND Business with AB/BA in the Graded Units. Other related HND qualifications may be considered.

BA (Hons) International Business and Human Resource Management
HND Business with AB/BA in the Graded Units. Other business-related HND qualifications may be considered. Priority will be given to applicants with at least two optional units with HRM, particularly those with HRM: Core Activities Unit. Other applicants will be considered on a case by case basis.

BA (Hons) International Business and Tourism Management
HND Travel and Tourism or HND Hospitality Management with AB/BA in Graded Units. Other related HND qualifications may be considered.

BA (Hons) International Events Management
UCAS code: 2H3U

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Events Management or HND Hospitality Management with AB/BA in the Graded Units. Other related HND programmes may be considered.

BA (Hons) International Fashion Branding
UCAS code: W2N5

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Marketing or HND Retail Management or HND Fashion Design and Production with Retail with AB/BA in the Graded Units. HND Advertising and PR can also be accepted for this programme. Other business-related HND qualifications may be considered.

BA (Hons) International Fashion Business
UCAS code: 8U9M

Year 3
HND Fashion: Design and Production with Retail or HND Fashion Design and Manufacture with AB/BA in the Graded Units. Other fashion related HND qualifications may be considered.

BA (Hons) International Marketing
UCAS code: 3G5B

Year 1
SWAP Access to Humanities at BBB.

Year 3
HND Marketing, HND Advertising and PR, HND Retail Management or HND Business with AA in the Graded Units. Other HND qualifications may be considered.

BA (Hons) International Sports Management
UCAS code: 3G5B

Year 3
HND Coaching and Developing Sport or HND Fitness, Health and Exercise or HND Applied Sports Science with AB/BA in the Graded Units. Other sports-related HND programmes may be considered.
BA (Hons) International Supply Chain Management  
Year 3  
HND Supply Chain Management, HND Business, HND Retail Management with B in the Graded Units or average of Bs. Other related HNDs qualifications may be considered.

MEng / BEng (Hons) Mechanical Electronic Systems Engineering  
UCAS code: BEng H360  
MEng H361
Year 1  
SWAP STEM programme at BBB (BEng) or ABB (MEng).
Year 2  
HNC in Mechanical Engineering or equivalent with B in the Graded Unit and Engineering Mathematics 1, 2, 3 and 4. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 3 and 4. 
For more info: www.gcu.ac.uk/mathssummerschool
Year 3  
HND in Mechanical Engineering or equivalent with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. 
For more info: www.gcu.ac.uk/mathssummerschool
Part-time entry  
Year 1  
HNC Mechanical Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.
Year 2  
HND Mechanical Engineering or other relevant Engineering subject with B in Graded Units and include Engineering Mathematics 1, 2, 3 and 4.

MEng / BEng (Hons) Mechanical and Power Plant Systems  
UCAS code: BEng HH32  
MEng HH36
Year 3  
HND in Mechanical Engineering or equivalent with B in the Graded Units and Engineering Mathematics 1, 2, 3, 4 and 5. Attendance and pass at Maths Summer School is essential for those without Engineering Mathematics 5. 
For more info: www.gcu.ac.uk/mathssummerschool
Part-time entry  
Year 1  
HNC Mechanical Engineering or other relevant Engineering subject with B in Graded Unit 1 and include Engineering Mathematics 1 and 2.
Year 2  
HND Mechanical Engineering or other relevant Engineering subject with B in Graded Units and include Engineering Mathematics 1, 2, 3 and 4.

BA (Hons) Media and Communication  
UCAS code: PP93
Year 1  
SWAP Access to Humanities at BBB. Evidence of experience in media preferred.
Year 3  
HND Creative Industries: Media and Communication or HND Advertising and PR with AB/BA in the Graded Units.

BSc Nursing Studies (Learning Disabilities)  
**Year 1**  
SWAP Access to Nursing from partner colleges. HNCs in a variety of subjects will be considered. Applicants must have literacy and numeracy at National 5 level.

**Year 2**  
HNC Care and Administrative Practice with B in the Graded Units, successful completion of 600 clinical hours but advised to achieve as close to 620 clinical hours as possible (in designated clinical area). Candidates need to obtain a minimum of 90% attendance at College and a minimum of 90% attendance at Practice Placement. Applications subject to interview and places and must be supported by the college partner.

BSc (Hons) Nursing Studies (Learning Disabilities)  
**Year 1**  
SWAP Access to Nursing from partner colleges. HNCs in a variety of subjects will be considered. Applicants must have literacy and numeracy at National 5 level.

BSc Nursing Studies (Mental Health)  
**Year 1**  
SWAP Access Nursing at partner colleges. HNC Care and Administrative Practice of a Science-based HNC with an A in the graded unit will be considered. Applicants must have numeracy and literacy equivalent to National 5 level.

**Year 2**  
HNC Care and Administrative Practice with B in the Graded Units, successful completion of 600 clinical hours but advised to achieve as close to 620 clinical hours as possible (in designated clinical area). Candidates need to obtain a minimum of 90% attendance at College and a minimum of 90% attendance at Practice Placement. Applications subject to interview and places and must be supported by the college partner.

BSc (Hons) Nursing Studies (Mental Health)  
**Year 1**  
SWAP Access Nursing at partner colleges. HNC Care and Administrative Practice of a Science-based HNC with an A in the graded unit will be considered. Applicants must have numeracy and literacy equivalent to National 5 level.

BSc (Hons) Occupational Therapy  
**Year 1**  
SWAP Access to Health and Biological Sciences at Glasgow Clyde College with BBB. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.

**Year 2**  
HNC Occupational Therapy Support. Applicants will be required to attend interview as part of the admissions process.

BSc Ophthalmic Dispensing Management  
**Year 1**  
SWAP Access to Science and Technology/Ophthalmics with BBB on the first attempt and including 65% in Physics module. Science-based HNCs including Physics and Maths with B in the Graded Units. Other science-related HNC qualifications (including Physics) may be considered.

**Disclosure requirement**  
All students are required by the General Optical Council to have been cleared by Disclosure Scotland at the advanced level to work in a clinical situation. Disclosure is sought for the Clinic here at Glasgow Caledonian University and applications will be made during enrolment in the first week of the first year of the course. This Disclosure certificate once obtained will last for the duration of the course for the GCU clinic premises only.
**BSc (Hons) Optometry**  
*Year 1*  
SWAP Access to Science and Technology/Ophthalmics with AAA on the first attempt and including 80% in Physics module. Science-based HNCs including Physics and Maths with A in the Graded Units. Other science-related HNC qualifications (including Physics) may be considered.

**BSc Oral Health Science**  
*Year 1*  
HNC/SVQ/NVQ in Dental Nursing plus 3 Higher at B including either Biology or Human Biology, or two GCE A Levels at B grade including either Biology or Human Biology. Those holding HND Dental Nursing must have 2 Higher at B to include Biology or Human Biology. Other Science based HNC/HNDs are considered. SWAP Access to Medical Studies or Access to Biological and Chemical Science.

**BSc (Hons) Orthoptics**  
*Year 1*  
SWAP Access to Science and Technology/Ophthalmics with ABB and including 70% in Physics module. Science or healthcare based HNC/D with B in the Graded Units and including sufficient coverage of Physics. Other science-related HNC qualifications (including Physics) may be considered.

**BSc Paramedic Science**  
*Year 1*  
HNC in a relevant Health-related subject or SWAP in a Health- or Science-related area at grades BBB.

**BSc (Hons) Pharmacology**  
*Year 1*  
SWAP Access to Science programme at BBB. HNC in a relevant subject with a B in the Graded Units and sufficient coverage of chemistry.  
*Year 2*  
15 credit HNC in relevant science subject (must include Genetics unit) with A in the Graded Unit.  
*Year 3*  
HND in relevant subject with AB in the Graded Units.

**BSc (Hons) Physiotherapy**  
*Year 1*  
HND Sports Therapy, Sports and Exercise Science or Science-based HND with AA in the Graded Units. This must be supported with 2 Higher at C, including English and a Science.  
SWAP Access to Health and Biological Sciences at Glasgow Clyde College with BBB. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.

**BSc (Hons) Podiatry**  
*Year 1*  
Health or Biological/Biomedical Science-related university access courses considered. HNC/D Biological/Biomedical Science, Sports Science/Therapy, including literacy and numeracy equivalent to National 5 level. Applicants should demonstrate an understanding of the course and have relevant work/shadowing experience.
### BSc (Hons) Quantity Surveying

**Year 1**
SWAP STEM programme at BBB.

**Year 2**
HNC Quantity Surveying or Built Environment subject with B in the Graded Unit.

**Year 3**
HND Quantity Surveying or Built Environment subject with an A in the Graded Units. Other Built Environment HND programmes may be considered.

---

### BSc (Hons) Radiotherapy and Oncology

**Year 1**
SWAP Access to Radiography. Science-based HNC with B in the graded unit. Applicants must also hold physics, literacy and numeracy equivalent to National 5 level, with English being preferred at Higher level. Communications 4 and Literature 1 are acceptable in lieu of Higher English. It is recommended that the HNC contains Physics but it is not essential.

---

### BSc (Hons) Real Estate

**Year 1**
SWAP STEM programme at BBB.

**Year 2**
15 credit HNC in a Built Environment subject with a minimum B in the Graded Unit. Attendance and pass at Real Estate Summer School also required.

For more info: [www.gcu.ac.uk/study/collegeconnect/summerschool/realestatesummerschool](http://www.gcu.ac.uk/study/collegeconnect/summerschool/realestatesummerschool)

---

### BA (Hons) Risk Management

**Year 1**
SWAP Access to STEM at BBB.

**Year 3**
HND Business or HND Administration and IT with AB/BA in the Graded Units. Other business-related HND qualifications may be considered.

---

### BA (Hons) Social Sciences

**Year 1**
SWAP Access to Humanities at ABB.

**Year 3**
HND Social Sciences with ABB/BAB/BBA in the Graded Units.

---

### BSc (Hons) Social Work

**Year 1**
SWAP Access to Humanities/Social Work/Social Sciences with BBB.

**Year 2**
HNC Social Services/Social Care with A in the Graded Units (including completion of agreed curriculum materials in college, completion of the reflective practice materials and minimum 90% attendance at college and on placement).
As a GCU graduate you will excel as a professional in your field. You will be entrepreneurial, confident, socially driven and capable of fulfilling leadership roles in a global context. You will push boundaries and solve problems to achieve positive change in the world around you.

If you think you have what it takes, join us at GCU.
