

Category Bulletin

October - December 2019

CAT – C1

Welcome to the quarterly APUC Cat C1 Category Bulletin. Category Bulletins aim to provide focused information including Framework Agreement availability data for stakeholders involved in procurement activities within the relevant professional service area / Category. The current version will always be available from your APUC client account manager or from the relevant Category team.

Category Bulletins will contain both news that relate to procurement activity across the Category and provide wider information on events that may be of interest to stakeholders working within the relevant Categories across institutions. Each will also highlight recent, new or updated Framework Agreements.

The bulletin is downloadable in PDF form and is also printable to suit whichever format you prefer!

The document lists all Framework Agreements that we believe may be of interest to those working in local collaborative contracts in Universities and Colleges. This not only includes those directly managed by the APUC Cat C1 Services Category team but also others which are related to the Cat C1 Services Category that offer routes to market for services managed via other APUC Category teams.

APUC actively welcomes feedback on client experiences in using the Framework Agreements we facilitate or lead on. Your key contacts within APUC for the Category are included in the final page of this document.

APUC eZine - APUC also provides a weekly general update on procurement matters to around 500 people involved in procurement across the University and College sectors in Scotland – if you have not registered for this, please contact businesssupport@apuc-scot.ac.uk to have your email address added to the distribution list.

APUC hope you find this Category Bulletin useful. Please let me know if you have any suggestions for improvements or other aspects to include.

Angela Cahill
Lead on C1 Collaboration

Recent, New or Updated Framework Agreements

The following Framework Agreements have recently been awarded / updated:

- ❖ **PFB1021AP C1 ePurchasing Cards**
We are currently exploring options to enter a Cluster Agreement with RBS under the new CCS Framework and will provide information shortly.

News, Events & Dates for the Diary

General:

Dates for your diary:
Procurex 29/10/19
PSGU 21/11/19
PSGC 22/11/19

❖ **FFE1002 C1 Specialist Art Products**
